## MESSAGE FROM THE PRESIDENT

Dear Newcomers,  
As we start March, I can't help but feel excited that spring is right around the corner and summer won't be far behind! What does that mean for the Newcomers Club? It means that we still have many events to come and that we are ready to start filling our club board and interest chair positions for the upcoming 2018-2019 club year.

**Having our board and interest chair positions filled will allow us to offer monthly events, continue our community outreach and support our club members.**

Please check out our board member roles on the next page of this newsletter. For more information, or to volunteer, please contact me at [wheatonnewcomers@gmail.com](mailto:wheatonnewcomers@gmail.com).

Thank you,  
Andrea

## Community Outreach

Thank you to everyone who made it out to Bricks for our last fundraiser of the club year! Unfortunately not many club families made it out to the event so we earned \$25 (\$18.75 to Family Shelter Service and \$6.25 for the club.

It's time to start thinking about what you can do to help the club! Our club year starts in June but we need to start planning for the next club year! Please take a look at the board positions. Even if you are brand new to the club, we encourage you to volunteer to support this fantastic club. With questions, please contact Andrea at [WheatonNewcomers@gmail.com](mailto:WheatonNewcomers@gmail.com)

# THANK YOU SPONSORS!

*Self storage without leaving home!*

*We pick up your belongings, store them securely, then bring any item back when you need it. Just that easy.*

*Classes at DuPage Cheer & Power Tumbling are taught by professional instructors who are passionate about working with kids of all ages. The owners of DuPage Cheer and Power Tumbling are a local family with young children and treat this business as an extension of their family. We treat parents and students the way we would want to be treated.*

*Power Tumbling is the backbone of our school and curriculum of all of our after school tumbling classes. Our professional staff of 12+ coaches focus on the type of skills and styles necessary in cheer and power tumbling, which is different than that taught in a typical artistic gymnastics school or gym.*

*We teach a streamlined approach every day at almost every hour to hundreds of students. The reason we have been so successful is that we spend the entire class working on the skills that your child is excited to work on*

# March Spotlight

## *What is Children's Playgroup?*

Children's play group is just as much or more for moms as it is for kids! At the beginning of every club year, members can join a playgroup that fits their schedules. Our playgroup coordinator collects all the information needed and forms groups based on member availability and ages/genders of children. Groups generally meet on a weekly basis at parks, local hot spots for kids, and member homes! It a fantastic way to make friends and for children to have access to new toys and learn to play with others!
