

Wheaton Newcomers Newsletter - August/September 2019

FROM THE PRESIDENT

I'd like to warmly welcome everyone back to the club! I hope you had an amazing summer – I find that it's always busy and goes by too fast. But fall is now here, and we are officially kicking off a new club year!

I love that our club organizes a variety of activities for members and their families to have fun, meet new people and serve the community. Please check out our events page - we have added lots of new events with more to come! I encourage everyone to take part in something within the next few months – it's a great way to reconnect, meet new members and of course have fun!

Our club is run by member volunteers – this means we are always open to fresh ideas and new leadership. If you have an idea for an event you would like to see offered by our club, or other suggestions that will enhance the club experience, please let me know! I'd love to hear from you.

I hope to see you soon. Cheers to a great year ahead!

Shannon
