From the President

What do I love about autumn? I love when the color of the leaves begin to change and the weather begins to cool. I love that it is pumpkin season and I get to eat pumpkin pie.

I love that I get to sip on hot chocolate with marshmallows and hot apple cider on the sideline, while I watch my children play soccer. I love autumn because it is that time of year when the club begins to offer new and exciting events that members are able to enjoy.

Fall in love with autumn by signing up for our September/October events by visiting our website www.wheatonnewcomers.org then click on [events](#) to see whats coming up or log in to your [Member Planet](#) profile for more details and to RSVP. Any questions or concerns please email me at Newcomers_club@yahoo.com.

Looking forward to seeing you at an upcoming event!
